Kwan Se Um Bosal Prayer

Oh Kwan Se Um Bosal,

Oh Great Light of Compassion

In a world made dark by violence, ignorance, greed, and suffering.

You offer to us a world of love, wisdom, abundance, and peace.

Light the path before me,

give me the vision to see others in Your Light In

the light of love, let me reach out to those in

need. In the light of wisdom,

let me dispel the darkness of ignorance, prejudice, and injustice.

In the light of abundance,

let me share my harvest. In

the light of peace, let me be

free.

Oh, Compassionate One,

make me your light of hope in this world, in my community, and in my family.

Dedication of Merit Prayer

In the vast expanse of the Buddha's boundless compassion,
I dedicate the merit I have accumulated through my
practice,
May all sentient beings, without exception,
Realize the true nature of their minds and attain
Buddhahood.

May this merit serve as a radiant light,
Illuminating the darkness of ignorance in all beings.
May it dispel the clouds of suffering and confusion,
Leading them to the path of liberation and awakening.

With gratitude, I offer this merit to all Buddhas and
Bodhisattvas,
Infinite in number as the grains of sand in the Ganges.
May their compassionate blessings flow like a great river,
Nurturing the seeds of enlightenment in all beings.

May this merit be a balm for the wounds of the world,
A healing salve for the pain and sorrow experienced by
many.
May it bring solace to the broken-hearted,
And comfort to those burdened by the struggles of existence.

May the sound of the Dharma resonate in all directions,
Awakening those who are asleep in the slumber of delusion.
May it echo in the hearts of beings,
Inspiring them to cultivate compassion and wisdom.
May this dedication of merit create a ripple effect,

Touching the lives of countless beings, seen and unseen.
May it contribute to the harmonious coexistence of all,
And the realization of a world where love and
understanding prevail.

I dedicate this merit to my parents, teachers, and
benefactors,
Whose kindness and support have been a guiding light on
my path.
May they be blessed with joy, good health, and spiritual
fulfillment,
And may their virtuous deeds bear fruit in abundance.

May all beings be endowed with the causes of happiness,
May they be free from suffering and its causes.
May they never be separated from the sublime joy,
Which transcends all worldly pleasures.

May all beings, without exception, attain Buddhahood,
And may the merit of this dedication contribute to that
sublime goal.
May the Bodhisattva ideal of compassion and altruism,
Guide us on the path towards the ultimate awakening.

In the boundless ocean of wisdom and compassion,
May all beings navigate the waves of samsara with ease,
And reach the shores of Nirvana, the land of perfect peace.
May all sentient beings be liberated from suffering and find
lasting happiness.
